Allocation Request Form

Fiscal Year of Allocation: 2006-07

Expenditure Plan: Strategy 3 – Local Transportation Infrastructure
Sub-strategy 3.2 - Local Infrastructure for all Modes

Project Name: Local Infrastructure for All Modes

Implementing Agency: City of Sausalito

Scope of Work: As defined by the Expenditure Plan, eligible projects include street and road projects, local transit projects, and bicycle and pedestrian projects. Where feasible, locally defined bicycle and pedestrian projects will be implemented in conjunction with a related roadway improvement. This could include safety improvements, pedestrian facilities including disabled access, or bicycle facilities such as bike lanes or signage.

The City of Sausalito has identified the following local infrastructure projects for implementation during fiscal year 2006-07:

- Roadway and other eligible projects identified in the City of Sausalito Annual Budget ending June 30, 2007 (attached).

The City of Sausalito will provide a Project Report for project(s) upon which TAM funds are expended within 60 working days of the end of fiscal year 2006-07. The Project Report will include a brief description of the project and describe the benefits realized from the project. The report will identify the amount spent during the reporting year, including the total estimated project costs, the sources of project funding, and total expenditures to date.
